

# Considering a career as a barber?

## New Course!

Starting  
September 2025

### Barbering

#### *What is it about?*

This programme is designed to equip you with the knowledge, skills and competence to use barbering techniques within a salon/barber environment. You will acquire a range of barbering skills to include the use of tools such as clippers, scissors, razors, and combs. In addition to haircuts, you will be equipped to provide services like scalp massages, and eyebrow shaping, focusing on enhancing clients' appearance and personal grooming.

This course provides you with the skills required if you intend to run your own barbering business in the future.
